

LAHU PAC

Louisiana Association of Health Underwriters Political Action Committee

All Politics Are Local!

What is LAHU PAC?

LAHU PAC is a voluntary, non-partisan organization that solicits contributions from members of the Louisiana Association of Health Underwriters, as well as the state's health and disability insurance industry.

Why should I contribute?

Through LAHU PAC, LAHU can support candidates who understand and promote the health and disability insurance industry. Your contributions to LAHU PAC give LAHU the ability to develop champions for our business and recognize legislators who speak out for your interests.

How is the money used?

Contributions are used to enhance the association's political advocacy efforts. They are also used to support Louisiana legislative and statewide candidates who have demonstrated a commitment to issues of key importance to LAHU members and the state's health and disability insurance industry.

All distributions must be approved by the LAHU PAC Board of Directors.

How can I participate?
